

# CIRCULAR.

PROVINCIAL LECTURE COMMITTEE,  
Saint John, N. B., April, 1861.

BROTHER RECORDING SCRIBE,—

We would again respectfully call the attention of your Division to the matter entrusted to our care by the Grand Division.

Our former Circular was forwarded to all the Divisions in the Province, but, we regret to say, that but few of them informed us of the action taken thereon. Those reporting have appropriated as largely as we had reason to expect, yet the gross amount is much less than the necessities of the case require.

The Committee secured the services of P. G. W. P. Thos. W. Bliss, as Grand Lecturer, for a term of Three Months, commencing 1st February last. This engagement will consume all the funds at the disposal of the Committee.

If the Divisions are desirous that Lecturers should be kept in the field, it will be necessary for them to furnish the Committee with more means.

If your Division has already made an appropriation in our favor, will you be kind enough to remit it to us at once? If you have not heretofore taken action will you do so now and inform us of the result?

Fraternally yours,

S. L. TILLEY,  
JOHN FRASER,  
W. H. A. KEANS,  
WM. WEDDERBURN,  
CHAS. A. EVERETT.

Address—CHAS. A. EVERETT, Saint John, N. B.
